

# “Tools to Ease Your Research... and Life”

For good research, we need to access information as widely and deeply as possible, then organize it efficiently. This workshop aims to provide practical tips and a forum for discussion on how to do that through various online sites and applications.

**Open to all students, researchers and faculty.**

**June 11 (Tuesday) 17.00-18.00**

**Where:** S1X, Liberal Arts and Sciences Main Building

**Speaker:** Associate Professor Masashi Kasaki PhD.

\* Presented in English

**Mei-Writing Open Workshop Series**
