The screenshot shows the NUCT Resources tool interface. The top navigation bar includes the NUCT logo, a home button, and a dropdown menu for 'THE TRAINING SITE OF ...'. The left sidebar contains navigation options: Announcements, Resources (highlighted with a red box), Assianments, Site Info, Gradebook, and Messages. The main content area is titled 'RESOURCES' and shows a list of materials under the heading '山里 敬也先生のテストサイト Resources'. A red text overlay states 'Recent materials will be displayed.' The list includes an 'English Version' folder and two PPT files: 'NUCT-tutorial-instructor-1-summary.pptx' and 'NUCT-tutorial-instructor-2-Site-Info.pptx', both of which are highlighted with red boxes. The table columns are Title, Access, Created By, Modified, and Size.
